- **One (1) place** for the host country (Peru), following the same criteria mentioned above.

### **SUP TECHNICAL RACE (10 places per gender)**

The maximum place per country for SUP Technical Race is one (1) athlete.

- **One (1) place** for the highest ranked eligible athlete of the region in the 2018 ISA WSUPPC.
- **Seven (7) places** for the first seven highest ranked eligible athletes in the SUP Technical Race Ranking of the 2018 PASA Games
- **One (1) place** for the highest ranked eligible athlete of the region in the 2018 APP World Tour.
- **One (1) place** for the host country (Peru), following the same criteria mentioned above.

### **IMPORTANT NOTES:**

1. Qualification is individual; athletes from countries that have already met their country quota will transfer their spot to the next highest ranking athlete at that specific event via the hierarchy listed per division above.
2. If a quota place allocated is not confirmed by the NOC by the deadline for confirmation or is declined by the NOC, the quota place will be reallocated to the next highest ranking athlete not yet qualified at the respective event, respecting the maximum quota places per discipline per NOC.
3. **The country rankings used to determine the country quotas for Open Surf in 2018 PASA Games will be the specific ranking of each division, NOT the 2018 PASA General Ranking, which includes ALL divisions.**

4. To be eligible to participate in the 2019 Pan American Games, all athletes must be in good standing with his/her National Federation ("NF"), PASA, and the ISA in accordance with the ISA Rulebook in force at the time of the 2019 Pan American Games.
5. In case that a qualifying event (ISA, ALAS and/or APP) is not held, the places are automatically assigned to the next best qualified for each division of the 2018 PASA Division Ranking.
